Formularios postales

Postal forms are officially issued by the postal administration, are not stamped, but are classified as postal stationery. The cards are used by the postal administration, among other things, to produce maximum cards. Other postal administrations use such cards to make them mailable with a „postage paid“ label. Only the image side is shown here.

Postformulare werden von der Postverwaltung offiziell ausgegeben, sind nicht frankiert, aber werden als Ganzsachen eingestuft. Die Karten werden von der Postverwaltung unter anderem dazu genutzt, um Maximumkarten zu produzieren. Andere Postverwaltungen verwenden solche Karten, um sie mit einem „Porto bezahlt“ versandfähig zu machen. Hier wird nur die Bildseite gezeigt.

Les formulaires postaux sont officiellement délivrés par l’administration postale, ne sont pas affranchis, mais sont classés comme entiers postaux. Les cartes sont utilisées, entre autres, par l’administration postale pour produire des cartes maximum. D’autres administrations postales utilisent de telles cartes pour les rendre postables en « port payé ».

Seul le côté image est affiché ici.

Los formularios postales son emitidos oficialmente por la administración postal, no están franqueados, pero se clasifican como enteros postales. Las tarjetas son utilizadas por la administración postal, entre otras cosas, para producir tarjetas máximas. Otras administraciones postales utilizan este tipo de tarjetas para poder enviarlas por correo con “franqueo pagado”.

Aquí solo se muestra el lado de la imagen.

Formularios postales

Postal forms are officially issued by the postal administration, are not stamped, but are classified as postal stationery. The cards are used by the postal administration, among other things, to produce maximum cards. Other postal administrations use such cards to make them mailable with a „postage paid“ label. Only the image side is shown here.

Postformulare werden von der Postverwaltung offiziell ausgegeben, sind nicht frankiert, aber werden als Ganzsachen eingestuft. Die Karten werden von der Postverwaltung unter anderem dazu genutzt, um Maximumkarten zu produzieren. Andere Postverwaltungen verwenden solche Karten, um sie mit einem „Porto bezahlt“ versandfähig zu machen. Hier wird nur die Bildseite gezeigt.

Les formulaires postaux sont officiellement délivrés par l’administration postale, ne sont pas affranchis, mais sont classés comme entiers postaux. Les cartes sont utilisées, entre autres, par l’administration postale pour produire des cartes maximum. D’autres administrations postales utilisent de telles cartes pour les rendre postables en « port payé ».

Seul le côté image est affiché ici.

Los formularios postales son emitidos oficialmente por la administración postal, no están franqueados, pero se clasifican como enteros postales. Las tarjetas son utilizadas por la administración postal, entre otras cosas, para producir tarjetas máximas. Otras administraciones postales utilizan este tipo de tarjetas para poder enviarlas por correo con “franqueo pagado”.

Aquí solo se muestra el lado de la imagen.

Formularios postales

Postal forms are officially issued by the postal administration, are not stamped, but are classified as postal stationery. The cards are used by the postal administration, among other things, to produce maximum cards. Other postal administrations use such cards to make them mailable with a „postage paid“ label. Only the image side is shown here.

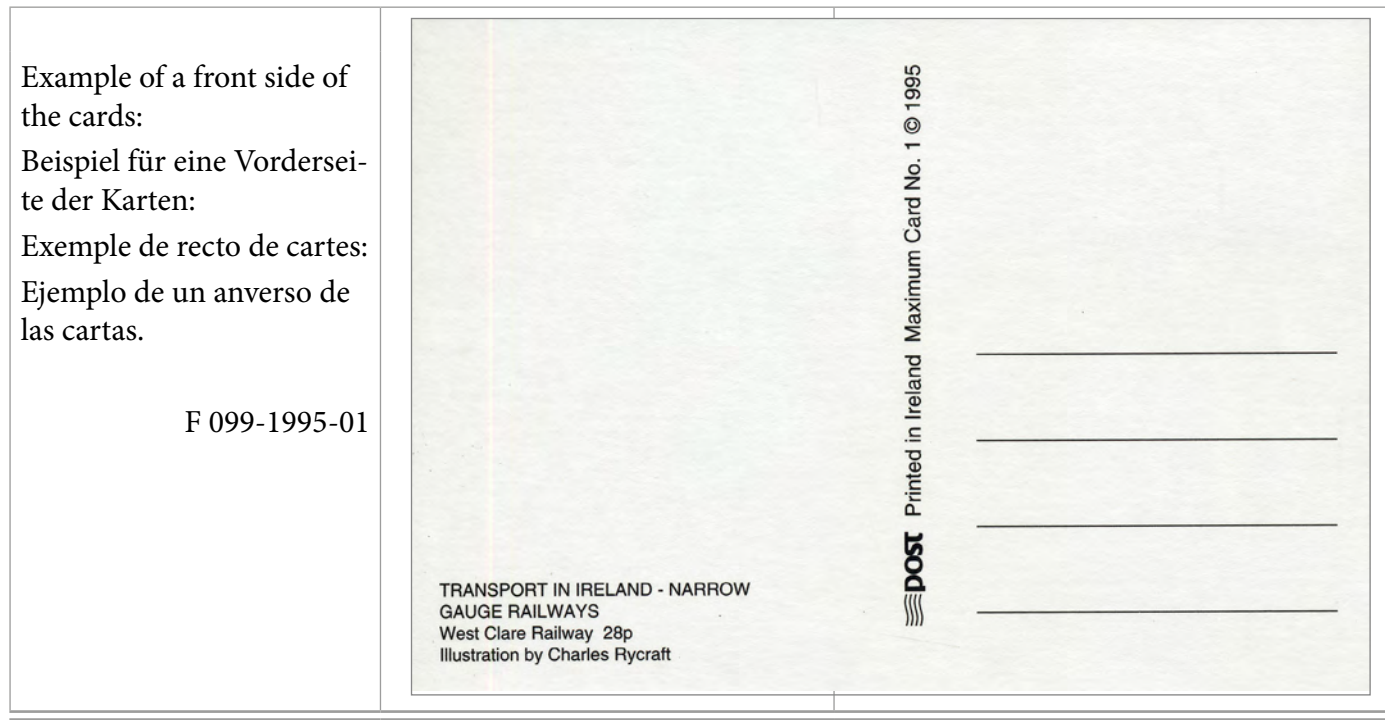

Postformulare werden von der Postverwaltung offiziell ausgegeben, sind nicht frankiert, aber werden als Ganzsachen eingestuft. Die Karten werden von der Postverwaltung unter anderem dazu genutzt, um Maximumkarten zu produzieren. Andere Postverwaltungen verwenden solche Karten, um sie mit einem „Porto bezahlt“ versandfähig zu machen. Hier wird nur die Bildseite gezeigt.

Les formulaires postaux sont officiellement délivrés par l’administration postale, ne sont pas affranchis, mais sont classés comme entiers postaux. Les cartes sont utilisées, entre autres, par l’administration postale pour produire des cartes maximum. D’autres administrations postales utilisent de telles cartes pour les rendre postables en « port payé ».

Seul le côté image est affiché ici.

Los formularios postales son emitidos oficialmente por la administración postal, no están franqueados, pero se clasifican como enteros postales. Las tarjetas son utilizadas por la administración postal, entre otras cosas, para producir tarjetas máximas. Otras administraciones postales utilizan este tipo de tarjetas para poder enviarlas por correo con “franqueo pagado”.
